Trustees' Report

For the year ended 5 April 2020

The Trustees present their report and accounts for the year ended 5 April 2020.

Objects of the charity

The charity was established by a charitable trust deed in 1987. The objectives of the Trust are:-

- 1. To support those organisations which are committed to helping young artists of recognised potential, by offering them a platform/audience, which otherwise they may have difficulty in achieving.
- 2. To support those organisations that specialise in education through music, including special needs schools.
- 3. The Trust will not be involved in the education of individual students nor will it provide grants to individual students.
- 4. The Trust will not be involved in the provision of musical instruments for individuals, schools or organisations.

The policies adopted in furtherance of these objects are per current statutory requirements, Statement of Recommended Practice (SORP) – Accounting and Reporting by Charities and the trust deed.

The trustees have the power to invest in such stocks, shares and investments as they see fit. The trustees have engaged Investec Wealth & Investment Limited as investment managers. The policy is to adopt a moderate risk investment strategy using high quality blue chip equities together with government and corporate debt with an emphasis on income.

Review of activities

The year ended 5 April 2020 was an active year for the charity where continued support was granted to the performance of music, particularly chamber music.

Trustees

The Trustees of the Trust who served during the period were:

A H Thornton

J R Thornton

D Whelton

D Brown

S Derbyshire

J Williams

It is the trust's policy to select trustees to enable it to have all round specialism so that it has all the required facets of trusteeship.

Trustees' Report

For the year ended 5 April 2020

Financial Review

The results for the year are set out in the Statement of Financial Activities on page 5.

The financial statements comply with current statutory requirements, the governing documents and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

The accounts have been prepared under the accruals concept.

The amount of income spent on grants during the year was £144,100 (2019: £115,000). Of the total grants £29,100 were AHT Enterprise grants. The trustees desire is that these awards are funded from otherwise unrealised capital gains in Trust investments from the prior financial year.

The unrealised loss on investments of £518,139 was due to the impact of Covid-19 impacting markets globally.

The principal funding source of income for the Trust is its investments. These are managed on a mix of discretionary and delegated authority to generate income to support the cost of running the charity and for expenditure in its grant making programme.

The trustees have considered the factors which would impact future financial performance. They consider circumstances which negatively impact the performance of the investment portfolio as the most likely to affect the future financial performance of the trust. The trustees recognise their responsibility to where possible balance trust income with grant expenditure. Further, they are aware that the current outbreak of COVID-19 is impacting markets globally and it's detrimental effect on the trust's income. Developments will be kept under regular review by the trustees in conjunction with the investment managers. The trustees have initiated a plan to reduce the next two-year grant awards to reflect the predicted reduction in trust income.

The investment managers report in writing at least twice a year on the performance of the endowment funds. Thus the trustees are able to assess at least on two occasions in each year how the charity is progressing in its grant making, in relation to its investments and in relation to the performance of its objects.

The income of the Charity is modest and the Trustees, in accordance with good modern charity practice and present charity law have established a policy to give priority to the most pressing needs in the field. In performance of its objectives for the year, grants were repeated or increased to support a core of charities working in the field. The charity plans to proceed with a similar pattern of grant making.

Trustees' Report

For the year ended 5 April 2020

Reserves policy

As at 5 April 2020 the Trust has unrestricted reserves of £1,834,952. It is the trustees' policy to maintain unrestricted reserves at this level. The total reserves represent the funds arising from donations and past operating results. The trust's policy is to have expenditure including the management and administration costs of the trust to be broadly in line with the amount of investment income received in the year. However in the current Covid-19 environment the Trustees are keen to continue support for the beneficiaries. This may result in a short term period of expenditure exceeding income.

Investment

The charity's powers of investment are governed by the Trustee Act 2000. The Trustees take professional advice from their investment advisors on all investment matters. The Trust's policy is to maximise income for grant making whilst preserving the capital value of its assets. Bearing in mind the turbulence in investment markets the Trustees believe this objective has been broadly fulfilled. The Trust's investments are dealt with partly on a delegated basis and otherwise by way of a holding of Performance is measured regularly against recognised benchmarks

Grants

It is the trust's policy to support those organisations which are committed to helping young artists of recognised potential, by offering them a platform/audience, which otherwise they would have difficulty in achieving. It is also the trust's policy to support those organisations who specialize in educational music, including Special Needs Schools.

Risks

As a matter of best practice, the Trustees are conscious of the need to consider risk. The Trustees address and seek to mitigate the principal areas of risk by engaging and relying upon professional investment managers (who carry indemnity insurance).

Public benefit

The board of trustees have complied with the duty within the Charities Act 2011 to have due regard to public benefit guidance published by the Commission.

Plans for Future Periods

The Trust plans to maintain its grant making programme. It believes that its objectives and its grant policies enable it to deliver its objects. It is clear from the liaison with the beneficiaries that at the local level the funds made available through the charity are crucial for the continuing work of the charities which the Trust supports.

On behalf of the board of Trustees

D Brown Trustee 2 November 2020

Independent Examiner's Report

To the Trustees of Mayfield Valley Arts Trust

I report to the charity trustees on my examination of the accounts of the charity for the year ended 5 April 2020 which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts

For the year ended 5 April 2020

1 Accounting policies

1.1 Basis of preparation

The accounts are prepared under the historical cost convention modified to include the revaluation of certain fixed assets.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

1.2 Income resources

Donations, legacies and other forms of voluntary income are recognised as incoming resources when receivable, except insofar as they are incapable of financial measurement.

1.3 Investments

Fixed asset investments are stated at mid-market value ruling at the balance sheet date and are provided by Investec Wealth & Investment Limited.

1.4 Accumulated funds

Designated funds comprise funds which have been set aside at the discretion of the Trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the accounts.

2. Investment income
